M.I.M.S.

- Member inputs data in two places on the CAP Utilities side of e-Services
  - M.I.M.S. (FMS) Personal Currency
  - M.I.M.S. (FMS) Qual/Cert
- Unit ES Officer can also input data for the member in the same manner on the Restricted Applications side of e-Services.

M.I.M.S.

- Unit Commander and Unit ES Officer have the authority to Validate Achievements or Tasks.
  - Request has been made to permit the Unit Commander to approve.
  - This will eliminate the requirement for the approval to be completed at wing level.

M.I.M.S.

- Unit CC and Unit ES Officer need access to:
  - CAPF101 By CAPID
  - CAPF101T By CAPID
  - FMS Currency
  - FMS Reports
  - Multi-ES-Entry
  - Multi-Pilot-Entry
  - Qual/Cert
  - Qual/Cert Class Admin
  - Validate Achievements or Tasks

M.I.M.S.

- Unit Commanders will have the approval authority when approved by the Wing Commander.

M.I.M.S.

. Commanders and ES Officers must exercise caution in the Validation and Approval process. Your honesty and integrity are on the line. When in doubt, don't validate or approve a task or individual. **DON'T "PENCIL WHIP"!**

WMU

- Wing Management Utilities (WMU) is a system that interfaces with M.I.M.S.
  - It syncs with M.I.M.S. every morning at 0500.
  - What you put into WMU is uploaded to M.I.M.S. and vice versa.
- URL is http://www.wmu.nat.cap.gov.

- TRY IT, YOU'LL LIKE IT!

M.I.M.S

- **It is imperative that every member of Colorado Wing start to use M.I.M.S. immediately.**
